For evidence-based healthy lifestyle programs in your community (e.g., obesity, physical activity, hypertension, and diabetes prevention programs) please contact:

Sangamithra (“Sanga”) Krupakar, MBBS, MSPH
Hypertension Prevention Specialist
Community and Clinical Connections for Prevention and Health Branch
NC Division of Public Health

919 707 5221 office
Sangamithra.Krupakar@dhhs.nc.gov
www.communityclinicalconnections.com

Also, if your hospital is located in a shaded area on the map below, there are regional directors eager to join your COMPASS community resource network. Sanga Krupakar is happy to connect you.
